WHERE ARE YOU GOING TO SPEND ETERNITY?

THE SHOCKING

Miss I read your post and you're very hard on yourself. I was in similar situation and I'm glad he is gone! I no longer want someone that doesn't want me. If he
he would have been patient with you and talk to you about moving in and meeting your father on your time table. You need to let go and let God! Trust me you
again. The universe is going to bring you a new man when you are ready. Do nice things with family and friends and love you!!!!! Best wishes!
